Dear Chamber Member,

Quantum Graphics is delighted to have been chosen this year's publisher of the MCC Annual Directory. We are excited about the opportunity presented to us and want to show our appreciation at being chosen by offering up some very attractive incentives to all members who advertise in this year's directory.

- To start, Past advertisers will be charged the same rates as last year (assuming same ad size).
- We are also offering a reduction to the advertising rate card for those that come on board as new advertisers.
- Next, all members who advertise will have (FREE of CHARGE) a business card style piece included in all the directories sent out to members in their region.
- Thirdly, all advertisers will be entered in a draw to win one of five(5) incredible prizes. For each \$100 spent in advertising we will add another ballot in your company's name, thereby increasing your chances of winning! Needless to say, the bigger the ad the greater your chances to win!

Studies have shown a substantial increase in business when you advertise. This exciting concept is exclusive to MCC members and having your brand exposed to the 100's of members in your region and the benefits of your business card in the hands of those members can only bolster your exposure to other business and individuals alike.

Please contact Ann Krawchuk at 204-985-1290 or email akrawchuk@quantumgraphics.ca
