

**The Manitoba Chambers of Commerce is pleased to announce Western Union Business Solutions as our new global foreign exchange provider.**

**You can't control the economy but you can control your foreign exchange solution.**

If you are making cross-border payments to suppliers, fluctuating exchange rates and high banking fees can inflate your costs and diminish your bottom line.

Our new partner Western Union Business Solutions, provides cost-effective and convenient foreign exchange services that will put the reins back in your hands.

**Benefits to Manitoba Chambers of Commerce' members:**

- **Avoid profit loss** and manage your company's foreign exchange exposure in the global marketplace with Risk Management solutions.  
*You can utilize Currency Forwards, Limit Orders and Options to reduce your FX risk.*
- **Reduce costs** with an exclusive Manitoba Chambers of Commerce discount – your wire fees are waived.  
*You can choose to deliver your funds by wire, EFT, or drafts—all with no fees.*
- **Save time** by sending your payments through an online account from your office. No trip to the bank necessary!
- **Help when you need it.** You get customer service that is easy to reach by phone or email.
- **Complimentary access to foreign exchange resources**  
Sign up to receive market update emails, FX strategy webinars and educational White Papers.

To benefit from this relationship, please visit our [FX Resource Centre](#) or contact Western Union Business Solutions directly.
